As soon as possible, please! I would like to send out a final agenda next week. Please keep in mind that this is a federal/state law office meeting and is not intended as a forum to resolve or negotiate with respect to ongoing cases or matters. That said, thanks for any background you think we should have on any of the topics suggested by the state law offices (highlighted below).

Thanks.

Mary

Mary, when would you like input sent back? Perhaps we can use a Director enforcement meeting to discuss input.

**Subject:** FW: Agenda for Region III Law Office Meeting

Hi, Directors-

On September 24-25, Neil Bigioni and I will host a meeting in Baltimore of the chief counsels at the Region III state environmental agencies and attorneys general offices. This annual meeting of senior Region III federal/state environmental lawyers is designed to foster cooperative federalism by providing a forum to discuss legal, policy, and law office management issues of common concern to EPA, the states and D.C.

Below is a proposed agenda for this meeting, which includes topics suggested by our state and District counterparts. I welcome any information or comments on the topics of this draft agenda, or suggestions for additional topics.

Thanks!

Mary
